DIRECTOR OF FOOTBALL CORNER

And just like that... we find ourselves at the tail end of the 2023 football season.

But to say the season is over... not quite - there is more silverware on the horizon.

What a massive achievement for the club to celebrate league titles in Division 1, Division 2 and Division 3.

Massive congratulations to the 1st XI, our Karenni boys and the FCN NMIT team. Outstanding!

Congratulations also to the FCN Diamonds and FCN Masters who finished very strong seconds in their respective competitions.

Well done overall to all senior teams this year, despite challenging circumstances everyone put a lot of work and energy in to make it another positive and successful season at FC. I hope everyone enjoyed it!

Now we direct our focus towards the finals day in Golden Bay on September 2nd. Five FC teams have made it into the finals. Brilliant. Good luck to - our Chin United, Steamers, NMIT, Masters and Wahine team. Wishing everyone a beautiful and enjoyable day over the hill.

Our junior and youth footballers conclude their footie season this coming Saturday. We can't thank all coaches, managers and supporters on the sideline enough for all the energy and passion you share with our kids. YOU are amazing! I hope everyone had a fantastic season. Nothing better to see than the black and white shirts and the FC logo represented by so many great kids. Keep enjoying your football!

Don't forget junior prize giving on the 9th. Let's make it a good day. Good luck to all teams who are still going to tournament in the coming months.

Lastly, the club has decided to go for the Southern League Playoffs (September 9th/10th & 16th/17th) against the Christchurch based winner of the premiere division. This is a very exciting time for the club and I hope everyone gets behind the first team and comes down to support the lads.

Let's gooooo FC Nelson!!!

PRESIDENTS CORNER

Welcome,

We are coming to the end of another exciting season. Massive thanks to all players, supporters, managers and coaches.

As always, a huge thank you to those who have supported or sponsored our club, to the community trusts that have provided funding and grants. To the small group of volunteers that seem to do everything, we are in your debt.

Our club has seen success with three teams winning individual leagues. We should be proud of all teams within the club that have fought through the year against sickness and injuries, bizarre league placement and some strong opposition. Every team adds ingredient to our unique melting pot of a club, thank you.

To the winners well done, FC Nelson NMIT, FC Nelson Karenni and of course to our Men's First team who won the First Division. As a result of that success the team earned the right to compete in the southern league play-offs.

After some debate and consideration by the committee, it was decided that in line with our strategic plan, we should take part as a club in the play-offs to participate in the Southern League. It will require a significant investment of time and energy by many people involved in the club. It does demand that we improve our facilities, grounds and our structure. To me that had always been our focus so challenging for the next tier of NZ football makes sense.

I ask you all to get behind this exciting journey whether it be through our soon to be established 200 club, personal or company sponsorship or just simply by volunteering your time.

I am confident that the journey will bring great benefits to our club from our First Kicks footballers to Masters teams.

A number of youth and junior teams finish the season this weekend and others are participating in local, regional and national tournaments. Good luck to all of them.

Lastly the Junior & Youth Prizegiving and Senior awards night - a glittering celebration of our club : Junior and Seniors. all welcome.

2023 SENIOR LEAGUE WINNERS!!

Saturday 12th August saw a massive day at Neale Park with 3 of our Senior Mens' teams playing in title deciding matches. FC came away from all 3 matches champions in all of these Divisions - a huge congratulations to these teams, coaching staff and supporters - up FC Nelson!!

DIVISION 1 WINNERS - SHEEHAN FINANCIAL FC NELSON 1ST XI

DIVISION 2 WINNERS - FC NELSON KARENNI

DIVISION 3 WINNERS - FC NELSON NMIT

OFF TO THE SOUTHERN LEAGUE PLAYOFFS!

Details of the playoffs will be released by Mainland Football shortly. They will involve home and away fixtures during the month of September. The first set of playoffs will be against the winner of the Canterbury Premier League, Universities AFC. If we are successful in this playoff, we will then play the winner of the Southern Premiership.

A message from Sheehan Financial FC Nelson Mens 1st XI, Paul Brydon:

Hi everyone. What a tremendous season we had this year which is not over yet. I would like to thank the club for giving me another opportunity to coach the 1st XI. I'd like to thank Tj and Manager Kenny Thorn for their commitment and support throughout the season. Last but not least, I'd like to thank the players, and there were quite a few used this year, for their commitment and hard work, in particular the college boys who turned up week in week out and kept the older boys honest. It was a tremendous season to go undefeated and this was all down to the players for fronting up week in week out. All the best to the Nelson College 1st XI team for their upcoming tournament in Christchurch and the 5 players from FC who have made the Tasman U17 squad. Huge achievement.

FC NELSON NMIT IN THE PAPER!!

Transcending football with community and club

The FC Nelson NMIT team have created a bond that goes deeper than football, with past players still keeping up with the team's antics on and off the field. Photo: Jack Malcolm.

Community is at the heart of FC Nelson's NMIT team. Ingrained in everything they do is a sense of brotherhood that transcends the game and welcomes new arrivals into the local community. It's created a lifelong bond between the teammates that has carried on long after they have left, with many more staying around to play.

For Goldie Dogra, it's a big reason why he came back to Nelson after finding himself stuck at home after Covid-19 locked the borders. What had started as a short vacation back home to see family in India turned into more than a year long effort to get back to a place he now considers home. "I was following everything. I used to call them after the game when it was late at night in India, just keeping up to date with the group. "If I leave Nelson, where would I play? I wouldn't play for any other team."

He says it's not just the support on the field, but the support that comes off the field has been equally impactful. "It's because of Pat (Doherty) and Neil Benson. They got this whole team from here when we all started up. It's not just football, if we need help in any part of life they're there for us."

Pat started the team seven years ago, having recently undertaken certifications through the club as part of his coaching qualifications. He says the squad has evolved and changed over the years, having coached for all but one season, but there's a core group of guys who have kept it all together. "It's a great bunch of lads. They're all young men and they love playing football. It's just good fun." While most teams in the grade don't even have a coach, he says it's the people who make him come back year after year. "We want to integrate people into the community. It's a big NMIT family and it's grown and grown. The connections they've made, it's built for life."

For Luis Godoy, the NMIT team was one of the first groups he joined after arriving in town as a refugee. Having fled Columbia seven years ago, he's been in the team for the last six years and says it's his Saturday ritual. "I love this. I love meeting everybody from different countries. I love to play football and I love to meet people. For me this is amazing. "This is part of home. For me, it's like a family."

Those connections have also paid dividends on the pitch, where the team sits second the men's senior third division with seven wins, three draws and two losses. The team has also courted the local community with their infectious culture, with Sprig and Fern buying their kit as sponsors. Owner Lee Fern says he's known Neil for a number of years and while he's often approached with sponsorship opportunities it was a no-brainer to jump on board to support the team. Alongside putting on free food after every home game, this year he introduced a trophy for player of the day that allows free refills from the pub. "With free beer for man of the match, I thought we'd do it properly," he says.

CHRISTCHURCH INTERNATIONAL CUP 2023

FC NELSON U11

The FC U11's had a testing time At 2023 CIC. On the day of travel we had three players with coughs and colds, but that didn't stop us having a dominant performance in our first game to start the tournament well. This was followed by a bit of a footballing lesson from Ricky Herbert Academy.

Our 3rd game saw us on top with the majority of possession in terrible conditions. We took a 1-0 lead after the 1st half, however we picked up a tournament ending injury to a key player right on the half. This gave the opposition the momentum but we held on for a draw, thinking we had done enough for the top 8. However, the other game was a draw and we missed out on the top 8 on goal difference. Injuries and sickness had taken its toll and it all caught up on us. The Kids showed massive maturity and put it all in perspective - "that's tournament football". They had fun and made the club and their parents proud.

Thanks to Miller Wood, Two Arrows Archery, Stirling Sports, Bays Joinery, Design Windows, Fletcher Vautier Moore, Pitt & Moore, Statement Coffee, The Mac Daddy, Mac 111, Saeco Wilson, Anchor Print, and more for your contributions.

2023 U11 CIC TEAM

2023 U12 CIC TEAM

FC NELSON U12

We are extremely proud of our 12th-grade team's performance at the CIC. Despite facing initial setbacks, the team showed resilience by bouncing back with victories on Day 2. The final day was filled with nail-biting matches, with the team narrowly losing in one penalty shootout but emerging victorious in another, securing 11th place overall. We admire our team's tremendous effort and recognise the priceless experience they gained from the tournament. We are also incredibly grateful to our sponsors, for helping us to be involved in the tournament. Thank you. Coaches Jon and Eli

CHRISTCHURCH INTERNATIONAL CUP 2023

FC NELSON U13

It was a fantastic performance from FC Nelson U13s throughout the CIC, winning 4 out of their 6 games. The Team showed a lot of maturity both on and off the field.

The fighting spirit and competitiveness was very impressive and the team bonding showed thru the football we played. We scored some great goals, played the ball around the park really well and the bravery and composure at the back was next level! Everyone showed me leadership and communication, both talking and listening, and trusted each other. A very memorable tournament of some great football.

2023 U13 CIC TEAM

2023 U14 CIC TEAM

FC NELSON U14

Christchurch United once again provided an exciting opportunity for the U14's. Preparation had been well underway since Term One, with the boys having committed to extra fitness sessions and training. Their commitment was personified in their performances throughout the Tournament. Resounding victories followed in the group stage, including a comprehensive 5-1 win over a Western Springs side, who had last year snatched the CIC title from the teams grasp in a hard fought final. Eyes were on reaching a final once more, however, despite a comprehensive 6-0 victory over a well regarded Otakaro side the boys came unstuck in a semi-final against a well drilled, defensive Red-Sox from Palmerston North, losing 2-0. An unfortunate result for a great group of kids who remain vigilant in their ambition to be the best footballers they can be. Their character was evident in the 3rd place final, picking themselves up and finishing the tournament on a high with a 4-1 win over Cashmere Technical. They finished the tournament as top scorers with 29 goals scored and 5 conceded.

The boys played with heart and good sportsmanship throughout the Tournament, it was a privilege to coach them throughout this experience and witness their dedication to being better footballers and being strong representatives of the core values underlying our club; a sound group of young men, who are representative of Nelson's diverse community and the collegiality among it.

SPOTLIGHT ON ... 'FC NELSON FOOTBALL IN SCHOOLS'

It's great to be back in schools!
Term 3 has seen the return on our Football in Schools Programme.

9 schools are involved in our programme - Rai Valley, Hira, Clifton Terrace, Auckland Point, Central, St Josephs, Hampden Street, Victory and Nelson Intermediate. Tj and Sasha have been getting hundreds of kids outside the classroom and into football.

A huge thankyou to Get Cars for sponsoring the FC Nelson car to get our Director of Football around to the schools!

SPOTLIGHT ON ... FC NELSON FUTSAL

We are slowly rolling out our Futsal Programme in 2023

All of our Futsal programmes are for Males and Females, and for anyone from any club or school - you do not have to be registered to FC Nelson.

What is Futsal?

Futsal is the only FIFA and NZ Football approved version of five-aside football and the world's fastest-growing indoor sport. The name futsal is derived from the Portuguese words futebol (football) and sala (hall).

A small-sided game played with a smaller, low bounce ball, on a netball sized court. It is a game which combines fun, creativity, speed, technique, teamwork and quick thinking.

Futsal combines fun, creativity, speed, technique, teamwork, and quick thinking. It is an all-inclusive, all-encompassing community game,

CLUB HUB UPDATE

The wheels continue to turn on the development of our FC Nelson Club Hub.

In the interests of cracking on with this project we have split it into two parts.

The 1st being the community hub which we will hand over to Scott's construction to manage. We are still working through the details with council and the architect, and we see a few more curve balls being thrown at it before the results start flowing. Not least being funding challenges that we will hopefully convey by the next newsletter.

The 2nd project, which we can start now, is the refurbishment of the existing changing room. This will be an FC Nelson community led initiative that we encourage our members to get involved with. We are hoping for our tradies to contribute and make this a facility we can all be proud of. It will include modernised shower cubicles, lockers and hopefully a new califont for continuous hot water. Requests for contributions will be coming soon with a more detailed plan but as a club project, if you have an opinion as to the features we incorporate, or can assist with project management, let us know. We are aiming to have something to show from this before Christmas.

As you know, our vision is that this is not only going to our club hub, but also a community hub - we are a community orientated club so we would love our community and community groups to make full use of the facilities.

This is a huge undertaking for our club, and the finished space will not only benefit our club, but our community as well - a space for others in our community to use.

If you know of anyone who would like to jump on board as a sponsor, volunteer, fundraiser, or anybody out there has some ideas to assist us, get in touch - YOUR CLUB NEEDS YOU!!
